THE GOSPEL IN AFRICAN SCHOOLS

Child & School Initiative

AFRICA Doors Are Open Now Kids Reached with Awana in African Schools WINTER 2025 UPDATE

God has shown us time and again never to underestimate what He can do when we come together to do His work. And yet, we're awestruck by the impact the Africa Child & School Initiative has made across the African continent. Last year Excellence in Giving™ conducted an impact study of the African Child & School Initiative; just look how boys and girls grow when they experience discipleship in school! Reports show:

- 95% of students are more likely to regularly attend school
- Significantly fewer physical and verbal fights in school
- Percentage of boys and girls who view adults as "safe" rose from 76% to 91% This is what our shared mission is about. It's about children learning God's Word, knowing who He is and seeing the fruits of a relationship with Him. Jesus changes everything. And He's doing that in over 8,000 schools in Africa. Praise God!
